RENEWED PETITION UNDER 37 C.F.R. § 1.181 TO WITHDRAW HOLDING  
OF ABANDONMENT BASED ON FAILURE TO RECEIVE OFFICE ACTION

Dear Sir:

This is a petition to withdraw the holding of abandonment pursuant to a Notice of Abandonment dated March 12, 2007 and the Decision on Renewed Petition to Withdraw Holding of Abandonment issued on February 22, 2008. Applicant believes the Notice of Abandonment was mailed in error according to the facts listed below and the attached documents.

1. Applicant filed the above-referenced National Phase application on January 24, 2006, and received the return receipt postcard from the U.S. Patent Office on February 9, 2006, stamped with the serial number and dated January 24, 2006 (copy attached hereto as Exhibit A).

2. Applicant has made a diligent search of the file jacket and docketing systems, and there is no record of receiving any other papers from the U.S. Patent Office subsequent to the return receipt postcard, and did not receive the pertinent Notification of Missing Requirements.

3. Applicant then received a Notice of Abandonment for Serial No. 10/566,114 which was mailed from the U.S. Patent Office on March 12, 2007. The Notice indicated that Serial No. 10/566,114 was abandoned for failure to respond to the Notification of Missing Requirements in a timely manner.

4. Applicant submitted a first Petition to Withdraw Holding of Abandonment Based on Failure to Receive Office Action on May 16, 2007, and a Decision dismissing the same was issued on July 16, 2007.

5. Applicant submitted a second (renewed) Petition to Withdraw Holding of Abandonment Based on Failure to Receive Office Action on September 14, 2007, and a Decision dismissing the same was issued on February 22, 2008.

6. As further support for Applicant's petition and in response to the Decision dated February 22, 2008, Applicant has attached hereto as Exhibit B a copy of the complete docketing program record (from two programs, reflecting a concurrent changeover of docketing systems) for all matters with responses due on August 13-14, 2006 pursuant to MPEP § 711.03(c)(I)(a), which shows that no responses to Notifications of Missing Requirements were due on the specified dates. Applicant therefore believes that no Notification of Missing Requirements was received or docketed for this application, nor was a Notification of Missing

Requirements intended for this application received and mis-docketed to another matter.

6. As the application was filed under National Phase status, Applicant is unable to access and view the application record under PAIR, and is therefore unable to procure a replacement copy of the Notification of Missing Requirements. Applicant prepared and enclosed with Applicant's first petition a Response to Notification of Missing Requirements including the Declaration and Power of Attorney for this matter, and asks that the response be filed in lieu of receipt of the Notification of Missing Requirements. Applicant has authorized charging Deposit Account 02-2666 in the amount of \$130.00 as payment for the late filing surcharge pursuant to 37 C.F.R. § 1.16(e), and any other fees required with respect thereto.

Applicant petitions the U.S. Patent Office to rescind the Notice of Abandonment based on non-receipt of the Notification of Missing Requirements. Applicant believes the Notice of Abandonment was sent in error and respectfully petitions that this notice be rescinded and that confirmation of the rescindment be mailed to Applicant. Pursuant to the Decisions on Petition dated July 16, 2007 and February 22, 2008, Applicant has believes that Items 1, 2, and 3 have been satisfactorily addressed herein and/or in prior responses.

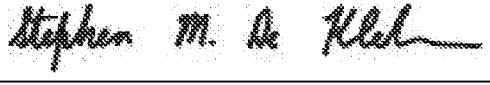

Applicant also requests that the previously submitted Response to Notification of Missing Requirements be filed, that confirmation in the form of a Filing Receipt and Notice of Acceptance of Application be mailed to Applicant, and that prosecution of this application be allowed to go forward.

Applicant hereby authorizes charging Deposit Account 02-2666 for petition fees required under Rule §1.182, and any other fees required for the petitions named herein.

Respectfully submitted,

BLAKELY, SOKOLOFF, TAYLOR & ZAFMAN LLP
